considered, however, that, in November, the period of observation was interrupted for about 10 days. A previous report indicated that the stocks, which had diminished down to one third of the prescribed quota would be refilled, and that pertinent measures were taken in the fourth quarter of 1953.

3. [redacted] Comment. Deliveries from the subordinate kitchen and bakery-accessory depot in Frankfurt/Oder-Winterhafen [redacted] 25X1 25X1

4. [redacted] Comment. Report indicates that, compared with outgoing shipments in July and August, outgoing shipments in the fourth quarter of 1953 considerably decreased. This may be due to the planned refilling of stocks. 25X1
